

Kishacoquillas Park Tree Donation Program

Derry Township would like to offer individuals and businesses an opportunity to donate a tree for planting at Kishacoquillas Park.

By donating a tree to this special program, you will be beautifying your Community Park while at the same time Celebrating Life by planting a tree!

Plant a tree as a tribute to a loved one, to honor your family or an organization or as a monument to a life well lived.

This is a perfect chance for your business, community group, school or club to play a part in helping your local community maintain its vital natural resources and open spaces.

With a donation of just \$150 per tree...

...you will receive an Honor/Memorial Certificate that will be personalized for you. The Certificate will also include a unique identification number. After your tree is planted, the coordinates of its exact location will be tracked with a GPS device and you will have the opportunity to see its location on a digital map.

Just click [here](#) to print a brochure/order form.

Brochures may also be picked up at the Derry Township Office.

For more info call 717-248-8151 or email to:

kishpark@derrytwp.info

Your donation is tax deductible.
